# Dual Enrollment

**IN PARTNERSHIP WITH  
FRESNO CITY COLLEGE**

## **WHAT IS DUAL ENROLLMENT?**

Dual Enrollment is when a student is taking both high school and college classes at the same time and is receiving credit for both. Additionally, students will be in cohorts of their ARPS classmates with a ARPS facilitator/teacher.

## **BENEFITS OF DUAL ENROLLMENT**

- Free Fresno City College classes for those enrolled in ARPS' high school
- ARPS covers cost of textbooks
- ARPS staff offers support that a regular college student may not have
- Students earn college credit towards an Associates Degree or Transfer Credits
- Ability to finish their degrees faster, as they would have taken college classes at ARPS
- College Course Experience, since it can be hard to adjust to college when first taking courses
- Bump in High School Grade Point Average (GPA)
- There may be times where professors come to ARPS to teach the courses
